

Fan Array Systems Which is Best for You?

IntelliCUBE

IntelliCUBE

Designed to simplify retrofitting air handling units.

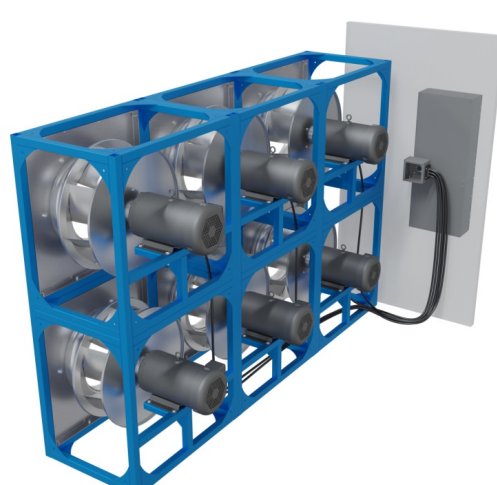

Max CFM: 100,000+
Max Static Pressure: 10"
Max Motor Size: 10 HP
Motor Technology: EC

IntelliCUBE XL

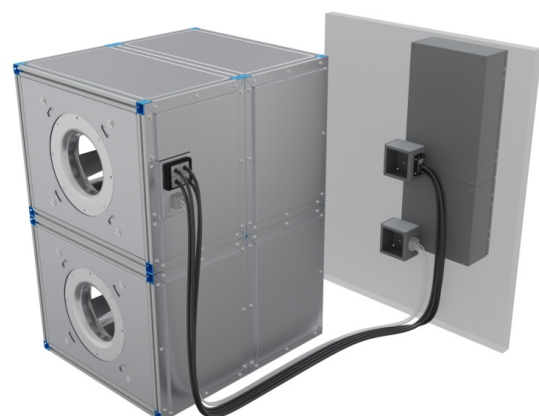

IntelliCUBE XL

Designed to handle larger fans, greater flows, and higher pressures.

Max CFM: 300,000+
Max Static Pressure: 14"
Max Motor Size: 20 HP
Motor Technology: PMEC, AC

IntelliCUBE DW

IntelliCUBE DW

Designed specifically for replacing DWDI housed fans.

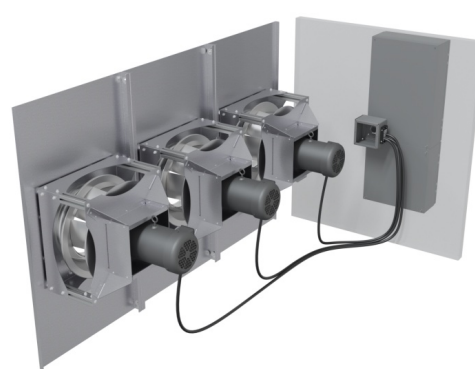

Max CFM: 40,000+
Max Static Pressure: 12"
Max Motor Size: 15 HP
Motor Technology: EC, PMEC, AC

IntelliWALL

IntelliWALL

Designed for retrofitting smaller air handling units.

Max CFM: 100,000+
Max Static Pressure: 8"
Max Motor Size: 7.5 HP
Motor Technology: EC, PMEC
